Dear Parents/Carers,

To replace the spelling aspect of your child's homework we have subscribed to an online resource called "EdShed". This means your child has free access to this resource and we would like you to encourage regular use at home. Your child's class teacher will set them a task on the website for them to complete for the following Friday.

This is only for children Year 2 and above who have completed the Read Write Inc Phonics scheme. Children who are still on the scheme can continue to access the website for games but will not be assigned a task each week.

Here's what you need to know about 'EdShed':

IT'S FREE: It can be accessed on a browser: <https://www.edshed.com/en-gb/login> .

HELPS STUDENTS: The resource has been shown to have significant improvements in learning outcomes when used regularly. Please help encourage your child to use it for at least 10 minutes a week.

PARENTAL SUPPORT IS CRITICAL: For children to be fully motivated and for them to get the best out of the practise, they need an adult's help. Without a parent's praise and reminders and without sitting down together or checking their work, practising will not feel important.

The children have taken part in completing a baseline assessment in school and have been introduced to the platform.

Your child's log in details are in the front of their reading record.

Kind Regards

Mrs Hargreaves (English Lead)
