6 June 2024

Dear Parent/Carer

Your child has expressed an interest in being involved in a Year 6 Enterprise Project (EP24), which will be taking place over the remainder of the school year.

The children will be tasked with costing, ordering, manufacturing, marketing, pricing and selling products. This is very much a collaborative project and it is important that all participants take responsibility for their part in the process and understand that for the enterprise to achieve the best success, we will expect everyone to commit to the whole timetable of dates.

They will need to be able to attend sessions on each Thursday (15:30 – 16:15) between June 13th and July 11th, and be available to help with selling items after school, at a time to be agreed between all the Enterprise students.

All the profit from the Project will be used for a reward event in school for all Year 6 pupils. The more profit they make, the better the reward.

If your child is available on these dates and would like to participate in EP24, please complete and return the slip below.

Regards

Upper Key Stage 2 Team
