

## **THE EGYPTIAN MUSEUM COMES TO DUKES!**

This term the children have enjoyed learning all about Ancient Egypt. They have learnt:

- all about life in Ancient Egypt
- about the pyramids and tombs
- the importance of the river Nile
- Tutankhamun
- Hieroglyphics and the Rosetta Stone

We would now like the children to apply their new-found knowledge of the Ancient Egyptians and create an artefact to go in our Ancient Egyptian Museum!

The more creative the better!

Children could wrap up their own mummy, create canopic jars (with or without the vital organs!), or even build their own scale model pyramids... the ideas are endless.

The 'museum' will be open for parents to come and visit Wednesday 26<sup>th</sup> June at 2:30pm in the school hall. After the museum, parents are invited to come into the classroom, from 3:15, for our 'drop in' and have a look at their children's work.

Children are to bring in their 'artefacts' on the morning of museum.
