Year 6 - Bikeability

Dear Parent/Carer

The year 6 pupils will have the opportunity to complete their Bikeability level 1 & 2 this October. The pupils will be split into smaller groups and will complete the course over two days. Once the groups have been arranged, you will be notified of the dates your child will be taking the course. The dates for the courses will be 9th/10th October, 11th/12th October, 16th/17th October and 18th/19th October.

The course is free of charge and will take place during the school day on the school playground and then out on the local roads. All the sessions will be run by fully qualified Bikeability instructors. Children will be required to bring their own working bicycle and helmet. There are a limited number of bikes available to hire at £10 per bike, per course. If your child doesn't have access to a working bike, then please get in contact with Mr. English so we can arrange hiring a bike for them. To take part in the course, children should be able to ride their bicycle unaided and without stabilisers.

On the day of your child's course, please make sure that your child has appropriate clothing for the weather.

If you would like your child to participate in the course, then please complete the attached forms and return to school by 4th October 2023.

Many thanks,

Mr English

Sports coach

-
- My child will/will not* be participating in the course.
 - My child can/cannot* ride a bike without stabilisers.
 - I will/will not* need to hire a bike.
