GLOSSOPDALE SCHOOL AND SIXTH FORM, OPEN EVENING, THURSDAY 28th September 2023, 5 - 8pm

Dear Parent/Carers

I would like to extend a very warm welcome to all prospective parents and children in our local primary schools, and hope that you will take the opportunity to join us for our Open Evening.

You and your child will have the opportunity to have a tour of the whole school site and meet teachers and students. You will be able to ask them about life in secondary school and see a wide range of lessons that are taught here at Glossopdale School and Sixth Form.

During the evening, there will be two presentations in the Theatre with Mrs McGloin, Headteacher, and Mrs Gilbert, Assistant Headteacher, about our school and how we will support your child as they move up to secondary school. This will take place in the Theatre at 5.15pm and again at 6.15pm. Each talk will last approximately half an hour.

The evening will hopefully serve a number of purposes:

- You will hear about the school and its vision and values;
- You will get the opportunity to meet many of our subject teachers and the transition team who will support your children during the transfer process
- You will get the chance to find out more about how the transfer process operates

We are looking forward to meeting you and beginning to develop a successful partnership with you and your child.

Yours faithfully

D McGloin
Headteacher
