Q: What is Walking Wednesday?

A: A day in Travel Smart week where we encouraged everyone to walk to school. It was held in May.

Q: Why did we do it?

A: To reduce pollution and traffic on Royle Avenue. Make it nicer for everyone walking to school.

Q. Who took part in Walking Wednesday?A.

We gave out 150 stickers to children that walked but there were more as we ran out! We were helped by members of staff, Brian Buller (PCSO), Mr & Mrs Tamplin (Royle Avenue residents), Anne Robinson (Glossopdale Action for Sustainable Travel) and Linda Walker (High Peak Green New Deal)

'I wish it could be like this everyday it is truly amazing'

- Parent of child on Walking Wednesday May 2025

Well done to **BEECH CLASS** who had the highest number of walkers at **89%**

Next steps:

- 1) Get people to pledge to walk to school in September.
- 2) Another Walking Wednesday in October 2025.
- 3) Monitor parking on Royle Avenue to check cars are not parked across the cones or people's driveways.
